- Sometimes we get information from your child's doctors and other professionals where we need this to look after your child.
- We may need to report some of your child's information to the government (e.g. the Department for Education). We will need to tell the local authority that your child attends the School, if your child leaves the School or let them know if we have any concerns about your child's welfare.
- We may use photographs or videos of your child for the School's website and social media sites or prospectus to show prospective pupils what we do here and to

advertise the School. We may continue to use these photographs and videos after your child has left the School.
