Fairley House

What's been happening this week at Fairley House...

## After School Club (LR) Jewellery

Ms Kelly

Some beautiful creations.....

It's been another eventful week at school and as many parents will know we also had a School Inspection on Wednesday and Thursday; further details of which will follow in the next few weeks. Thank you to all pupils and parents who kindly completed the online questionnaires.

## Lambeth Road School Council (LRSC)

House Captains and Class Captains from the LRSC have had their first meeting with the first item on the agenda being to select a charity to support this year.

Our selected charity is 'Life in Full Swing' <https://www.lifeinfullswing.org/> which is a very personal choice for us as a school community. Life in Full Swing raises money for two charities Ickle Pickles <http://www.icklepickles.org/> and the Royal Trinity Hospice

<https://www.royaltrinityhospice.london/>

The Royal Trinity Hospice provided Kate with incredible care this year, and Ickle Pickles cared for Isobel when she was born prematurely.

Our first fundraising venture will be a second hand book sale on the 11<sup>th</sup> of October during the school day.

## LR Art Club

We made chalk drawings in the style of Kandinsky using different colours.

## 29.9.17 Assembly celebrating World Poetry Day.

Thursday 28<sup>th</sup> September was **World Poetry Day!** The students at Lambeth Road were immersed in poetry this week and each Reading group learned a poem performed it to a group of their peers! All groups did an amazing job! There were props, actions and some children even memorised their poems! Well done everyone and congratulations to our 3 winning groups!

Miss Peciuch's group – Jake, Bea, Alex I, Niamh  
Miss Longmore-Reid's group –Saxon, Eshani, Eva, Jasmine, Pierce, Jacob  
Mrs Allen's group – Aston, Pererin, Liam

**Ms Montague**

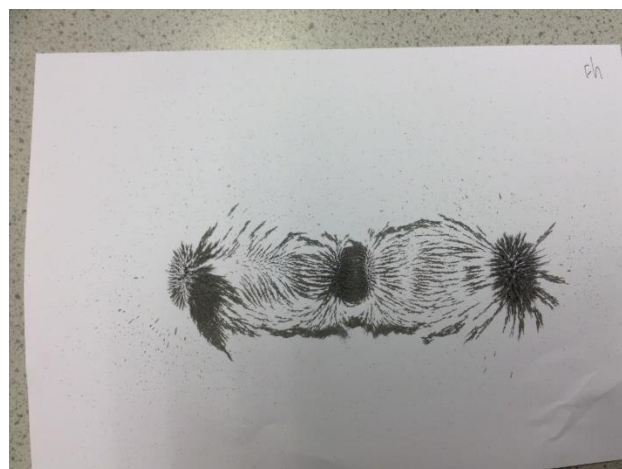

**Y9 Science (CS)** have been learning about the chemistry of paints and perfumes. In this experiment they explored how pigments, binders and solvents combine to make different samples of paint using household ingredients.

**Ms Dolz**

**Y11 Science (CS)** have been exploring the properties of magnets this week. They have looked at two applications; electromagnets and motors.

## After School Lego Club (LR)

## Victorious UI0 v Westminster 4-1

We played two matches against Westminster School. We won 1 match 3-0 and another 4-1. Great performance from all students involved!
