CHICKENS – LAMBETH ROAD

The eggs have arrived!

The eggs are in the incubator now, being kept warm and humid. The incubator automatically turns the eggs regularly. Two visitors from Vauxhall Farm led an assembly today. We learnt a little bit about chicken eggs and what will happen before and after the chicks' hatch. We talked about other animals that lay eggs and saw an ostrich egg!

They also bought two Bantam chickens to meet us!

QUEENS BIRTHDAY CELEBRATIONS

On Saturday 11th June, Queen Elizabeth II celebrates her official birthday and so at Lambeth Road, we thought what better way to join in the festivities, but to host our very own Queen's Tea Party. The day began as normal, with an assembly, where we learnt new facts about the Queen and had a quiz, in preparation for a competition that was all set to happen later. Then it was back to our classrooms to make crowns, ready for our afternoon Crown Parade. There were lots of sparkles, gold and jewels as we all set about making the most beautiful headwear.

After all that hard work, it was time for a break, so off we went to play. When we came back the party atmosphere was in full swing, with Royal music coming from around the school. We were split into party groups and off we went to take part in a number of old-fashioned party games that the Queen herself might once have enjoyed! We played 'Pass the Parcel', 'Pin the Crown on the Queen', went apple bobbing and so much more...

After all that excitement it was time for lunch! We went back to our classrooms to get ready and when we came back to the hall, it was transformed. No longer was it just Lambeth Road Hall, it was just like a street party! There was bunting and flags, table cloths and napkins! We had a right, royal feast! But the fun was not over yet! After a short play, we then returned to take part in our Crown Parade. The judges found it hard to make a decision! So much care and effort had been taken by all to embellish their royal caps. In the end they made their decision and the overall winner was **NICO OLDER**.

And the quiz was won by the pupils!

Once this was over, we eagerly awaited the arrival of parents and carers who were coming to enjoy tea and scones with us. We were even hopeful that the Queen may pop by for a visit, but this was not to be! She must have been really busy!! Thank you so much for all of you contributed and came to make it such a wonderful day, celebrating the Queen and all she means to Britain and the Commonwealth!

BOOK SWAP – JUNIORS

On Friday 27th May, Lambeth Road held their very own Book Swap. Many children brought in old books, which they had had the joy of reading and wanted to now share with others. They receive a voucher, detailing the number of books which they brought in. All the books were laid out on long tables and in groups the children came to choose new books, spending their Book Swap vouchers. Lots of fun was had by all and the teachers were especially pleased with how well the children shared their books, their opinions and were excited about reading. A big thank you to all who brought in books for our Book Swap! Start saving now, for next year's...

JAMAICA – YEAR 4

This term year 4 have been learning about Jamaica as their topic in Geography. They have been exploring the physical and human features of Jamaica, why you might go there on holiday, the culture, their houses and their schools. They have been comparing these aspects of Jamaica and Jamaican life to their own here in England. Year 4 have also learnt about the types of food that is grown in Jamaica and about the Jamaican style of cooking. On Wednesday afternoon year 4 had great fun opening up a Jamaican restaurant.

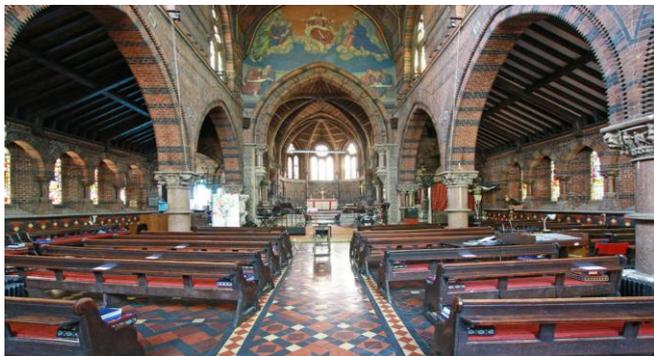

Year 4 created menus and cooked lots of different traditional Jamaican dishes including plantain and jerk chicken.

Year 2 & 3 placed their orders in the restaurant and were served their dishes of choice. This was an enjoyable afternoon and it provided a fantastic opportunity for year 4 to share all their knowledge and skills about Jamaican food and culture. Many children commented about how delicious the food was!

YEAR 6 – CHURCH VISIT

All of Year 6 attended St James the Less church on Tuesday afternoon. After a fascinating talk by the Vicar, the pupils answered a thorough questionnaire about the history of the beautiful church. They even got to show off some of their drumming skills while avoiding the ferocious thunder and lightning at the end of the trip!
