

# FAIRLEY HOUSE FLYER

**Fairley House this week:** A BIG welcome back to everyone for the start of another exciting year of school. We hope that you all had a fantastic summer break and have returned refreshed and ready to learn!

## Design & Technology News

A few songbirds are about to get themselves a mortgage free home in central London, courtesy of our proud students.

**Mr Little**

## Science News

Year 6 have been learning about electricity. They have learnt some circuit symbols and have built circuits with a bulb, buzzer and motor.

## Year 11 Child Development

Year 11 have started to complete research for their first coursework assignment. They are looking at the nutritional needs of babies and children between 0-5 years.

**Ms Unau**

## Year 10 Geography GCSE

The year 10 GCSE geography class enjoyed an interactive recap lesson this week. They investigated how a river transports material down stream and how the four methods of transport link to types of river erosion. In each tray we had material carried by solution and suspension. The photos shows the boys trying to add enough velocity to the water to move pebbles by the other processes of saltation and traction.

### After School Clubs – Years 6-9 (CS)

Clubs take place on Tuesday and Thursday afternoons after school from **3.30-4.30pm**. They start on **Tues 19<sup>th</sup> Sep'** and end on **Thurs 30<sup>th</sup> Nov'**. They are voluntary and there is no obligation for children to attend – but they will be missing out on lots of fun! You should have received the information letter from Mr Ferman (CS) or Ms Kelly (LR) with the options available. Places are limited so please ensure that you return your preferences ASAP to Reception at CS/LR.

**Tuesday Clubs:** Sports & Fitness Club, Jewellery Making, Cooking (LR)  
Bouldering, Boxing, DT, Homework, Lego (CS)

**Thursday Clubs:** Bouldering (Yr 4-5 ONLY), Lego & Board Games, Art (LR)  
Fencing, Football, Art,  
Homework, Knitting and Crafts (CS)
